Give Me A Sign

SIGNS AND WONDERS

“Verily, verily, I say unto you, He that believeth on Me, the works that I do shall he do also; and greater works than these shall he do; because I go unto My Father.” John 14:12

SIGNS AND WONDERS

Thomas said to him, “Lord, we do not know where you are going; how can we know the way? Jesus said to him, “I am the way, and the truth, and the life; no one comes to the Father, but by me.” John 14:5-6

SIGNS AND WONDERS

“If you had known me, you would have known my Father also; henceforth you know him and have seen him.” Philip said to him, “Lord, show us the Father, **give us a sign and we shall be satisfied.” John 14:7-8**

Jesus said to him, “Have I been with you so long, and yet you do not know me, Philip? He who has seen me has seen the Father; how can you say, ‘Show us the Father?’” John 14:9

SIGNS AND WONDERS

“Do you not believe that I am in the Father and the Father in me? The words that I say to you I do not speak on my own authority; but the Father who dwells in me does his works. Believe me that I am in the Father and the Father in me; or else believe me for the sake of the works themselves.” John 14:10-11

And of course they still wanted more signs...

“These things I have spoken to you, while I am still with you. But the Counselor, the Holy Spirit, whom the Father will send in my name, he will teach you all things, and bring to your remembrance all that I have said to you.” John 14:25-26

Give Me A Sign

The kingdom of God is in us, around us, everywhere present.

The living Christ spirit, God’s image and likeness, dwells within us as our spiritual DNA as one of God’s own children.

The activity of Spirit is always present and awaiting our command.

“God does not play dice with the universe.” – Albert Einstein

In other words everything is already in place for the right and perfect outcome. We just have become aware of the signs we are given and then act on that guidance to the best of our ability.

Give Me A Sign

Stop, look, listen. The trinity of awareness we learned in school for crossing the street.

This same process works well for our spiritual journey as we travel along life’s highways and byways.

Give Me A Sign

It does not matter if your image of divine guidance is accurate or not. What’s important is for you to find some way to relate to that guidance, to accept the sign you are given, so that you can be open to receiving the blessing that is there for you. - Sharon Janis, Getting Acquainted With Spirituality

Give Me A Sign

All the great spiritual teachers, sages, avatars, and mystics have pointed humankind in one direction...

Within ourselves!

There we find:

The truth of who we are and what it will take to set us free from our self-inflected bondage.

Give Me A Sign

That there is a loving, supportive, all empowering presence that will guide and direct us to our highest and best.

That as we learn to trust that presence more and more we discover that there are others in both the spiritual and material worlds available to us at any time.

Give Me A Sign

That we have a direct connection to our source through prayer and meditation. All we need to do is ask: God, is there anything you want to tell me?

Universe, is there any guidance you wish to offer me?

Give Me A Sign

Then using affirmative statements such as: "I am open and receptive to learn what I need to learn, go where I need to go, do what I need to do, because Spirit now goes before for the right and perfect outcome." We are able to stop, look, and listen to all the signs in our lives.
