The GPS of Your EGS

*And in praying do not heap up empty phrases as the Gentiles do; for they think that they will be heard for their many words. Do not be like them, for **your Father** knows what you need before you ask him. –Jesus
(Matt 6:7-8)*

What he is saying is... You have within you *God’s Prevailing Spirit!*

The GPS of Your EGS

So if you have within you **God’s Prevailing Spirit** what about...

Ego’s Guidance System?

Which one do you allow to control your life and affairs...

Your GPS or your EGS?

The GPS of Your EGS

There are two prevailing schools of thought when it comes to manifesting our life desires and goals:

Go with your heart...

Think with your brain...

If life has taught us anything either one will work but only for a short time.

We need both connected and aligned as one complete system working for our highest good.

The GPS of Your EGS

In their book, *Ask and It Is Given*, Esther and Jerry Hicks remind us that: *The only thing that ever prevents your receiving something that is your desire is that your habit of thought is different from your desire. Remember that trying to hinder another’s freedom always costs you your freedom.*

Case in point...the freedom to love someone for who they **REALLY ARE** because of your EGS!

The GPS of Your EGS

They remind us that: Freedom from the fear of unwanted experiences will never be achieved by trying to control the behavior or desires of others. Your freedom can only be allowed by adjusting your own “EGS.”

The GPS of Your EGS

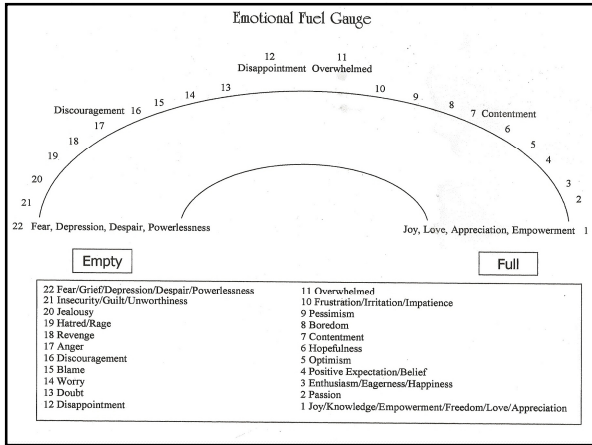

Of course people will often argue:
 “I am only acting on what is. I’m staring into the face of reality in this situation.”
 “This has been true of all my past experiences. I have to give it all my attention to keep it from happening again.”
 This is your EGS working overtime.

The GPS of Your EGS

Behind every desire is the desire to feel good. There is no desire that anyone holds for any other reason than that they believe they will feel better in the achievement of it...a material object, a physical state of being, a relationship, a condition, or a circumstance. –Ester & Jerry Hicks

The GPS of Your EGS

You are the extension of our desire and once that dominate thought takes hold in your consciousness the manifestation of the thought will appear.
 What you give your energy to materializes in your life. Think of it this way...

The GPS of Your EGS

To counter balance your EGS with your GPS affirm daily that:
 I am free!
 I am powerful!
 I am a good person!
 I am lovable and deserving of love!
 I have value and purpose!
 All is well in my world for I am divinely connected to my GPS!
