## **Every Tomorrow**

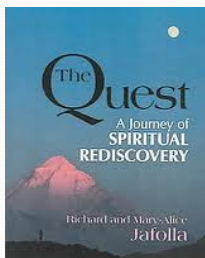

*Every tomorrow has two handles. We can take hold of it by the handle of anxiety, or by the handle of faith.*

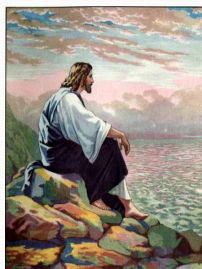

Author Unknown .

## **Every Tomorrow**

*Faith is tricky. You have to be very sure it is pointed in the right direction.*

## **Every Tomorrow**

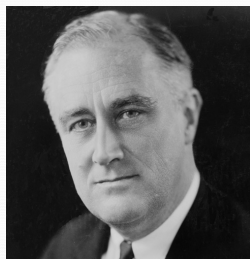

*According to your faith be it done to you.*

Matt 9:29

## **Every Tomorrow**

*The only limit to our realization of tomorrow will be our doubts of today. Let us move forward with strong and active faith.*

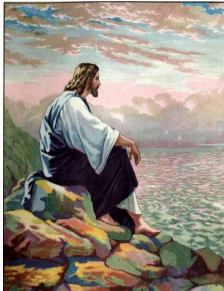

## **Every Tomorrow**

Four steps to moving forward:

1. Listen to your heart.
2. Be willing to take chances, even when you don't know what the outcome will be.
3. Relax and trust that whoever you are and whatever you're doing in this very moment is perfectly orchestrated with the grand, unknowable symphony of universal creation.
4. Ask that your faith holds out.

## Every Tomorrow

People make the mistake of asking for more faith. Jesus taught one very basic rule on faith:

*I tell you the truth, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there' and it will move. Nothing will be impossible for you.*

## Every Tomorrow

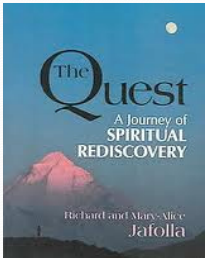

But why not ask for more faith?

Because faith is one of the spiritual principles that works with the law of mind action. *"According to your faith be it done to you."*

Faith is one of our virtues that can only be truly empowered and refined by being tested as an experience in our lives.

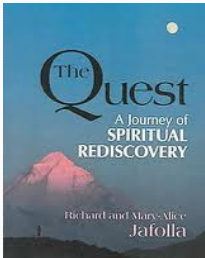

## Every Tomorrow

*It takes work to move your faith in the right direction.*

## Every Tomorrow

Although your faith is limitless, faith can only extend to the self-imposed boundaries of your present consciousness. It can go no further.

## Every Tomorrow

Faith is an investment you make in yourself.

Faith is an expectation of things to come. Whatever you strongly and consistently expect to come into your life is invariably what you will receive.

*Now faith is the assurance of things hoped for, the conviction of things not seen. (Heb 11:1)*

## Every Tomorrow

*Affirm I have faith that:*

*There is a right and perfect healing for my health challenge;*

*There is a right and perfect job waiting for me now;*

*There is a perfect solution to the problem I am facing;*

*There is more than enough supply to meet my needs;*

## Every Tomorrow

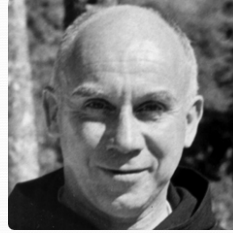

*Affirm I have faith that:*

*There is a right and perfect outworking for my troubled relationship;*

*All my experiences will bring me meaning of the world; and through action I will give the world meaning.*

*For the things he has done, I will do also.*

## Every Tomorrow

Thomas Merton said that *Ultimately faith is the only key to the universe. The final meaning of human existence, and the answers to the questions on which all our happiness depends cannot be found in any other way.*
